

CABERNET SAUVIGNON 2009

This wine shows the essence of the Cabernet Sauvignon. Totally fermented in stainless steel tanks, the emphasis is to maintain the vineyard's character. It has lots of fruit, no wood and is extremely balanced, perfect to be offered by glasses. It also has the structure to accompany main dishes.

TASTING NOTES

With deep violet color this wine shows reddish edges, clean and bright.

In the nose, ripe plum notes and blueberries can be perceived. Black fruits accompanied by a rich acidity and firm tannins can be felt in the mouth.

HARMONY

Due to its varietal expression, it is an ideal wine to drink with all kinds of meats such as beef and pork ribs. It is also a good partner for sausages and semi spicy dishes.
